Clinician Position In Small Animal Surgery

Full time permanent position

Faculté de médecine vétérinaire | Direction
Centre hospitalier universitaire vétérinaire (CHUV)

The *Faculté de médecine vétérinaire* (FMV) of the *Université de Montréal* is currently seeking qualified candidates for a clinician positions in small animal surgery. The FMV is located in [Saint-Hyacinthe](#), the agricultural capital of Quebec with 57 000 inhabitants. The FMV is located 60 km (37 miles) from [Montreal](#), a vibrant city with an international airport and excellent flight connections to Europe and the USA. The FMV is also within easy reach of the beautiful, historic [Quebec](#) City and [Ottawa](#), the capital of Canada.

As a clinician, you will have the opportunity to contribute to the excellence of the *Faculté de médecine vétérinaire*:

Through your teaching (for a maximum of 90% of the appointment), you will also ensure the visibility of your discipline and your research activities in addition to actively participate in the operation of a renowned institution (for a minimum of 10% of the appointment). As such, you will:

- » Participate in clinical teaching through provision of care and services meeting the different needs of the small animal surgery service clientele;
- » Participate in clinical teaching of specialized interns and residents in small animal surgery;
- » Supervise veterinary students and rotating interns and residents;
- » Evaluate student learning;
- » Provide educational advice and assistance to students.

To succeed in this role, you must have the following qualifications:

- » Doctor in veterinary medicine or equivalent degree;
- » Completion of a formal residency training program in small animal surgery or in progress;
- » Certification by the American College of Veterinary Surgeons (ACVS) or ECVS (European College of Veterinary Surgeons) board certification eligibility for certification of either college and obtention of the certification within two (2) years following the start date;

- » Work experience (possibly including work experience during residency) and interest in clinical teaching of small animal surgery in an academic environment;
- » Obtain a licence to practice veterinary medicine issues by the Ordre des médecins vétérinaires du Québec;
- » An adequate knowledge of the French written and spoken language **or** a strong commitment to mastering the proficiency level required, in accordance to [Université de Montréal's Language Policy](#). An institutional learning support program is offered to all professors wishing to learn French or improve their communication skills.

How to submit your application

We invite you to submit a letter outlining your interests and career goals, your resume, a copy of your diplomas, and three letters of recommendation from professors or supervisors to :
